Year 2012 Begins some changes to the Dog Licensing Program:

1. NEW..The due date for purchasing a license is now linked with the month of your dog's rabies vaccination. Licenses can now be purchased all year long at the Fruitport Township Hall Treasurer's Office.

2. NEW...A three license may be purchased if the rabies vaccination covers the entire three years. A one year license may be purchased if the rabies vaccination covers the entire year.

3. NEW...The dog tag you receive when renewing the license will become the PERMANENT tag. If that tag becomes damaged or lost a new one will be provided.

Fees	1year	3year
Male/Female	\$50.00	\$145.00
Senior Citizen(62+)	\$25.00	\$ 70.00
Spayed/Neutered	\$10.00	\$ 25.00
Puppy (4-7 months)	\$10.00	\$ 25.00

In past years your dog license expired March 1, but for this year the license expiration has been extended to the last day of the **month** of your dog's rabies vaccine. This will help line up the license purchase with month of rabies vaccination.

**Dog Licenses can now be purchased throughout the entire year at Township Hall.**
